Course Information: EZEPT001 Professional Cosmetic Tattooing (Bundle)

Student Requirements

- Basic Language, literacy and numeracy skills in English (LLN)
- Victorian Student Number (VSN) - *Victoria only*:

VSNs are issued to all students enrolled in Victorian schools and to students enrolled at a TAFE or in an accredited course with an RTO. For a copy of your VSN please contact your current school or call 1800 822 635.

- Unique Student Identifier (USI) – *Australia wide*:

A USI is a reference number made up of numbers and letters. It creates a secure online record of your nationally recognised training that you can access anytime and anywhere, and it's yours for life. To receive a Statement of Attainment when completing your course, you will need to give us a copy your USI number. Creating a USI is free. To obtain this USI if you don't already have one please follow the link below:

<http://www.usi.gov.au>

- Models for tattooing and microblading practice:

Students who are able to supply their own models benefit more than those who do not, as it provides more opportunity for practice of skills.

- Access to a functional pc or tablet device with internet access and Google Chrome internet browser.
- Access to an Autoclave and cleaning room is an advantage.

Student Support

Our support staff is available to students and potential students who require support.

Course Information: EZEPT001 Professional Cosmetic Tattooing (Bundle)
