About EZE Training

Eze Training is a boutique Registered Training Organisation (RTO) that has grown out of the vision to bring a love for self-expression and combined it with an entrepreneurial spirit. Our point of difference is that we are grounded in the industry, and we can compete on the "big stage" while giving a personalized experience to our customers.

This means if you are an individual who wants training or an employer who wants to up-skill your staff then we will give you a dedicated Learner

Coordinator who will be your one point of contact to assist you in the journey from enrollment to graduation and on to the next stage of your career. Our RTO number is 6590.
